

## COMMITTEE ON CULTURE AND EDUCATION

### WORKING PROCESS

1. First steps in TwinSpace forums (12-25.01).
  - \* Presenting ourselves and why we chose this committee.
  - \* Choosing date and hours for live chat. Make a live chat.
  - \* Get familiarize with different topics and choose one topic for work.
2. Before do something we need to learn about it (21.01-03.02).
  - \* Surf in European Youth Portal and post ideas in Tricider.
  - \* Read publications for EU and searching useful websites.
  - \* First steps for solving a problem - give ideas, comment them and vote for them.
3. Panel discussion (04-12.02). We'll divide in teams (maybe 3 or 4).

Every team will learn more about a part of our topic and discuss it. When the teams make their final conclusions they will write them in one shared document. All group will get familiarized with conclusions and will have many ideas for making a resolution in The Netherlands.
4. Everyone decides what role to perform in The Netherlands (13-14.02).

Our group needs of:

  - \* coordinator - someone who moderate the committee, help other members, organize everything;
  - \* speaker - someone who will present our resolution in General Assembly in The Netherlands;
  - \* creators - students with creative mind, generator of ideas;
  - \* writers - students with fluent English who will write texts;
  - \* experts on Culture - students who have rich knowledge of Culture;
  - \* experts on Education - students who have rich knowledge of Education;
  - \* experts on IT - students who have rich knowledge of working on computer - basically in writing the resolution and make a presentation;
  - \* and so more...
